INTRADISTRICT TRANSFER OPTION FOR ESEA WITHOUT PAID TRANSPORTATION

PARENT NOTIFICATION LETTER

Parent notification should be dated no later than July 1st of the upcoming school year. Notification may be in a letter, electronic means, or by such reasonable means in a timely manner of the options available to parents.

Date: July 1, 2017

Dear Parent(s) /Guardian(s):

This notification is to inform you that Seminole County Elementary School has been identified as Focus Title I School. Under Georgia's Elementary and Secondary Education Act of 1965 (ESEA) Flexibility Wavier that was approved on February 9, 2012; Focus Title I Schools no longer have to provide Public School Choice under the No Child Left Behind of 2001 (NCLB) but rather has reverted to Georgia's Intradistrict Transfer Option.

Seminole County School District is required to inform the parents of 2017-2018 Seminole County Elementary students of the following information regarding Intradistrict Transfer. The Intradistrict Transfer option is not available to 2017-2018 Seminole County Elementary School students due to the fact that the district only has one school serving grade Kindergarten through grade five students.

The Intradistrict Transfer allows a parent/guardian the option to request a transfer from their child's assigned school, to a school of a parent's choice within the school zone/district in which their child resides. However, the Intradistrict Transfer may be granted to your child only if, the school to which the request for transfer has classroom space available; after all the assigned students have been enrolled. The Intradistrict Transfer option does not require the District to pay for transportation to the transfer school; therefore, Seminole County School District will not be paying for transportation. If you have additional questions or concerns, please contact Dr. Marie Barber, Deputy Superintendent, at 229-524-2433.

Sincerely,

Dr. Renea Pierce
