INTRADISTRICT TRANSFER OPTION FOR ESEA WITHOUT PAID TRANSPORTATION PARENT NOTIFICATION LETTER

Parent notification should be dated no later than July 1 of the upcoming school year. Notification may be in a letter, electronic means, or by such reasonable means in a timely manner of the options available to parents.

Date: July 1, 2018

Dear Parent(s) /Guardian(s):

Seminole County School District is required to inform the parents of 2018-2019 Seminole County Middle/High School students of the following information regarding Intradistrict Transfer. The Intradistrict Transfer option is not available to 2018-2019 Seminole County Middle/High School students due to the fact the district only has one school serving grade six through grade twelve students.

The Intradistrict Transfer option allows a parent/guardian the option to request a transfer from their child's assigned school, to a school of a parent's choice within the school zone/district in which their child resides.

If you have additional questions or concerns, please contact Dr. Marie Barber, Deputy Superintendent, at 229-524-2433.

Thank you,

Kent Richardson Principal,
Seminole County Middle/High School
